Rally Organisers are invited to contact us for special rates for the rally field

The site is licensed with Freedom Camping Club for up to 5 caravans/campervans

However more we have a rally field – when we expect more for a special event we can register with Freedom Camping Club as a rally and then can have as many as is safe for the activity and people available to steward it so additional numbers are not a problem if you are able to put the right management in.

Camping Bookings: We normally ask you to get your clients to deal with us direct for camping and we will look after them for access, siting etc and collect fees - but this is negotiable

Your clients must either be members of freedom camping or we can sign them up prior or on the day - membership is free.

If you have any special requirements, please do not hesitate to contact us and we do our best to help. To view and or to discuss your requirements please give us a call or email
